Recommendation
Prior to every State election, WAEC produce a simple one-page brochure explaining the meaning and significance of voting "above the line" (ATL) and "below the line" (BTL); and preferential voting and have this available to all electors on Election Day at every State election.

Government Response	WAEC response
Supported in principle Electoral Commissioner to be requested to consider and advise on implementation options for the 2029 State General Election.	**Supported** The WA Electoral Commission will undertake a comprehensive review of public education materials and programs with a focus on opportunities to simplify materials and appropriately target education and engagement programs.

4

Recommendation
Prior to every State election, WAEC receive funding from the Department of Treasury and Finance to meet the cost of notifying by email if known and, if not, by mail, all electors affected by changes to electoral boundaries, and where they can go to cast an ordinary vote on Election Day.

Government Response	WAEC response
Supported in principle Implementation of this recommendation is to form part of the scope of work for recommendation two.	**Supported in principle** The WA Electoral Commission is partnering with the Department of Treasury and Finance to develop an ongoing funding model for the effective planning and delivery of elections. This recommendation will be considered as part of this scope of work.

5

Recommendation
WAEC consider whether the 'Find Your Polling Place' page on its Website can be based on the selection of the voters' address rather than a District, to give voters accurate information on their District and corresponding Polling Places to cast their vote.

Government Response	WAEC response
Supported in principle Electoral Commissioner to be requested to consider and advise on implementation options for the 2029 State General Election.	**Supported in principle** The WA Electoral Commission is considering improvements to its website to enhance the user experience and accessibility of information, contingent on securing appropriate funding. This refresh will consider changes to improve the 'Find Your Polling Place' page.
